Indiana Gateway for Government Units is the collection platform for local units of government to submit required data to the State of Indiana, as well as a public access tool for citizens. It represents a unique partnership between the State of Indiana and the Indiana Business Research
Center at IU's Kelley School of Business, with initial support from the Lilly Endowment and sustainable support from the State of Indiana.

Participating state agencies currently include the Department of Local Government Finance, the State Board of Accounts, the Indiana Education Employment Relations Board and the Indiana Gaming Commission.
