Thank you all for your support of Schooner Creek Farm. Thanks to the 43,000+ views on the Red Ice TV interview, we have received enough donations to finally retain a local attorney and pursue legal action. With that said, I encourage anyone who has screenshots of defamation, threats of violence, slander, etc. -- to send them our way. If you wish to do so anonymously you can easily do so by using WeTransfer with the email recipient being info@schoonercreekfarm.org. In addition you may also anonymously post screenshots to Flickr, as well as Imgur, but make sure to tag it with [#schoonercreekfarm](https://www.instagram.com/schoonercreekfarm)

We are also still accepting donations for our legal fund. Donations can be made at our website at:

Thank you for your support. Feel free to share this post.
