

## ***Liar, Liar, Pants on Fire***

### *The Last Word...*

#### **Fr. Celatus**

WHEN CHILDREN CATCH classmates or friends in a lie, they commonly taunt them with a repeated chant, “Liar, liar, pants on fire!” When parents, on the other hand, catch their children in a lie, they don’t taunt them; rather, they punish them, often with a spanking that leaves them, literally, with burning pants. Parents also warn their children that the punishment for liars is that no one believes them after their lies.

If only it were true that the pants of liars spontaneously combusted and no one believed them thereafter. Were that the case, the globalists who are deceiving and tyrannizing the world would be exposed for their lies and stopped in their tracks. Yet despite lie after lie after lie related to Covid, they continue to advance their luciferian agenda, protected by the Deep State and Deep Church. So many are their lies, that with only five minutes of reflection, *The Last Word* came up with a litany of twenty Covid lies and deceptions.

**Lie #1: The Coronavirus came from bats sold in a food market in Wuhan, China.** Following that initial lie, many of us resolved never to eat in a Chinese restaurant again. There was a tiny shred of truth, the location Wuhan, mixed in with a huge lie, that it came naturally from animals intended for bat soup.

**Lie #2: The Coronavirus is a natural virus that was accidentally released from a Wuhan lab.** This is a two-fold lie in that the virus was intentionally released and it has been engineered for gain-of-function purposes. This produced a virus more transmissible and dangerous to humans: a veritable bioweapon.

**Lie #3: Facemasks protect us from contracting or transmitting Coronavirus.**

Facemasks do nothing to protect us from microscopic viruses. Fauci first admitted this, then lied ever after. Quite the opposite, masking faces for extended periods is socially, psychologically, spiritually and physically unhealthy.

**Lie #4: Double face masking gives more protection.** No, double masking causes double the suffocation.

**Lie #5: Quarantines will flatten the curve and keep Coronavirus from spreading.** The reality is quarantines bankrupted many small businesses, closed down commerce, damaged national economies, socially isolated everyone, and impeded natural herd immunity we might have otherwise achieved.

**Lie #6 Churches spread Coronavirus more than liquor stores.** Sadly, most bishops seem to agree.

**Lie #7: Coronavirus is spread from surfaces, necessitating constant disinfection.** Remember how hard it was to find hand and surface sanitizer, with zero products on the shelves? At least this lie killed off the sign of peace at Novus Ordo Masses.

**Lie #8: PCR is an accurate way to test for Covid 19.** Early in the Coronavirus con, PCR test cycles were excessively high to inflate the number of positive cases. Once Covid vaccines were rolled out, PCR test cycles were lowered for vaxed people, to make it appear vaccines are effective.

**Lie #9: Dying**

**with Covid is the equivalent of dying from Covid.** Countless people who died from accidents, homicides, suicides and non-Covid causes were listed as having died from Covid, simply because a test on the cadaver for Covid popped positive, even though Covid was not itself the cause of death.

**Lie #10: mRNA is a vaccine.** A medical definition of vaccine is: an injection of a killed or weakened microbe in order to stimulate the immune system against the microbe, thereby preventing disease. As uncompromised

doctors insist, these Covid shots are not a vaccine but a human-engineered gene therapy.

**Lie #11: Covid vaccines are effective.** It is now manifestly clear that Covid vaxes do not protect from contracting or transmitting the Covid virus, for which reason the liars continue to promote masks for the vaxed. The liars now have the vaxed taking booster and fourth round shots.

**Lie #12: Covid vaccines are safe.** This is a bold-faced lie. Even in the grossly underreported data collected in VAERS, this vaccine has already been statistically shown to be exponentially more dangerous and deadlier than all other vaccines in human history combined.

This vax is a death sentence.

**Lie #13: High Covid vaccination percentage rates will protect large populations.** Ironically, in countries that have the highest vaccinated populations, they also have high levels of Covid infections. Israel is a perfect example. Another is Gibraltar, with nearly 100% vaxed, they have cancelled Christmas.

**Lie #14: Unvaccinated people are the main cause for the spread of Covid.** Since the Covid vax does nothing to stop transmission of the virus, the vaxed are just as capable of spreading it. In fact, because the vax may alleviate Covid symptoms, the vaxed who fail to quarantine are more likely to spread the virus.

**Lie #15: Natural immunity is ineffective against Covid.** Statistics, medical research and personal experience all confirm that the best protection against Covid is natural immunity from previous exposure.

**Lie #16: Vitamins and nutrients are ineffective preventatives.** Uncompromised medical experts and nutritionists recommend daily regimens of certain vitamins and nutrients as effective against viruses.

**Lie #17: There are no safe and effective medications against Covid.** Uncompromised medical experts know medications such as Ivermectin and Hydroxychloroquine are effective to prevent and treat Covid.

**Lie #18: Children need to vaccinated to be safe.** Statistically, children have a near zero chance of dying from Covid. Their immune systems are robust. Cases abound of vaccinated children suffering myocarditis and other serious adverse vaccine reactions, including death. This is child abuse and child endangerment.

**Lie #19: It is not the role of federal government to mandate masks and Covid vaccines.** This lie was repeated multiple times by Poopy Pants Joe (who had to change his pants after meeting Jorge). Joe has now lost patience and imposed draconian mandates. His poopy pants are on fire and oh, what a stench.

**Lie #20: Receiving a Covid vaccine is an act of charity.** This lie comes from the lips of Poopy Mouth Jorge (remember, he compared fake news to eating and loving feces). This serial liar decreed everyone should receive a Covid vax for the common good and it is an act of charity. Liar, liar, cassock on fire!

No doubt Remnant readers can add many more instances of deception to this abbreviated litany of lies.

Lie after lie after lie after lie from the children of lies, whose master is none other than the father of lies. ■
