

Brown County Highway Department

Monthly Update as of September 16th

- : We have transferred a truck driver to the open mechanic position
- : We are ordering a bridge package for a small structure on Hamilton Creek. This will be a grated bridge deck with galvanized beams on existing concrete abutments.
- : We are reviewing our 4-year Bridge contract before submitting to INDOT
- : We have teamed up with Clark Dietz for our Community Crossings Grant for 2025
- : We have started our road passer ratings with Vialytics software 80% RATED.
- : We have promoted a truck driver to the open grader operator position. We now have two road graders running
- : We are doing our daily tasks, mowing, grading, ditching, pothole patching, weed maintenance around guardrails, bridges and signs
- : We are working on getting our salt spreaders and snow equipment in all working order. We have parts available now for repair
- : Road stripping is almost complete for our new paved roads
- : I have been working on the Highway Department Budget
- : We are looking into products to help with dust control
