

# Brown County Highway Department

## Monthly Update as of September 3<sup>rd</sup>

- : We have hired another new person. We have lost our mechanic. We have a couple leads for a new one
- : We are working on fixing two small bridges on Hamilton Creek, we are getting cost to repair or replace these
- : We are negotiating our bridge inventory 4-year contract with EGIS
- : We are working with Clark Dietz consultants for next year's Community Crossing Grant.
- : We are working with Vialytics to get our passer ratings updated
- : We are doing in house training for another grader operator position
- : We are doing our daily tasks, mowing, grading, ditching, pothole patching, weed maintenance around guardrails, bridges and signs
- : We are working on getting our salt spreaders and snow equipment in all working order. We have ordered parts to help fix our inventory
- : We have been working on revising our snowplow routes to make sure they are all covered
- : Road stripping prep has started for the roads that just got paved

Alec Burton
