

BROWN COUNTY

Comprehensive Plan Community Survey & Meeting

GUIDING THE FUTURE OF BROWN COUNTY

ABOUT THE PROJECT

Brown County is currently undertaking a comprehensive planning process to shape the future of our community. This plan will guide local leaders, planners, and organizations in making informed decisions on key issues such as land use, economic development, housing, transportation, and natural resource preservation.

As part of this effort, we are conducting a community survey to gather critical insights about the priorities, preferences, and challenges faced by residents, property owners, and businesses.

TAKE THE SURVEY!

The survey is intended to take 5-10 minutes to complete. We greatly appreciate your participation and value your input as we work together to create a thriving future for Brown County.
